Introducing DUNGEONS & DRAGONS™ Computer Labyrinth Game from Mattel Electronics. The game that combines the mysterious world of medieval fantasy with the excitement of electronic technology.

It's based on the original DUNGEONS & DRAGONS Game. Only now, the Dungeon Master is a computer. And the game play is determined by special sound effects.

To win you must discover and

capture the Dragon's guarded treasure. But first, you must undertake a perilous journey through hidden mazes and secret labyrinths.

It's an exciting and challenging game that will fuel your imagination for a long, long time.
