We're catching up after holidays with our tremendous batch of new releases! The world's finest designers are working flat out on more new and exciting miniatures; keep one eye on Mil. Mod. in the months to come. The other eye can be employed scanning our Lasset 54mm and 75mm list. We've been working hard converting John Tassels superb pieces into kit form. A large number are now ready. They come complete with painting instructions, ready for quick assembly. The list also shows the rest of the range in animated form. List 16p (Postage included). We're also working on a new Catalogue ready soon — watch our ads for details.
