

# USA STARSHIPS LAND IN UK

... **STARFLEETS** a series of incredibly detailed starships from five different empires: Entomalian, Aquarian, Terran, Avarian and Carnivore (pictured left).

... and **MAATAC** the complete range of ground vehicles and robots from the five empires. A continuing series, loaded with detail.

These miniatures can be used to wage fantastic wargames. **STARFLEET WARS** are realistic, easy-to-follow rules for wargaming with miniatures, based on a "Five Empire" scenario. These rules outline the political situation, starship movement, propulsion and defensive systems, weapon and weapon capabilities. The game offers virtually limitless combinations of alliances, operations and more.
