I INVENTED ROAD RAGE

The Mystery of the Haunted Reaper Amusement Park

Seasons Greetings!

Hi everybody! You now hold in your hands the 2000 Reaper Miniatures Holiday Catalog. Before you ask though, let me tell you that this isn't Casket Works #6. All of us here at the Reaper studio are currently working on the next issue of CW, due out in February.

This holiday catalog is intended for you to find those last minute gift ideas for the upcoming holidays. Reaper minis make great stocking stuffers. However, if you want to be a REAL friend, then buy someone a cool dragon like T'Raukzul or Gauth. I don't think they'll fit in a stocking though...

And remember, all Reaper products are hand made with loving care, all assembled by pygmy leprechauns (is that redundant?) that live in Al's backyard and ride noble pugs. (You gotta see their rodeos. Wild stuff indeed!)

While I'm talking about dragons (not pugs), T'Raukzul IS available now. After months and months of heartbreaking labor, Big Red (if you can't say "T'Raukzul") is ready to go. Look for him in finer game and comic shops near you. And if you can't find a store near you, go to reapermini.com and use our Store Locator to see if that helps.

And remember this holiday season, it's all about the giving. So give me lots of gifts, okay? You can reach me here at Reaper. I'll be here doing crossword puzzles while Teebor the duck pulls me around in a sleigh.

From all of us at Reaper, have a great holiday season. And don't eat too much roast beast.

Lon

Reaper Miniatures is here for people who love gaming. Our catalog is aimed at people with a love of miniatures, and a passion for gaming. Our goal is to stroke our egos and at the same time be innovative in the gaming industry. We love to have fun, create new things, push ourselves, make great figures and embarrass the other companies with what we can do.

DRAGONS DON'T SHARE

Listen well my weary traveling friend,
to a tale adventurous, sad and bold;
of Digger McGee's tragic End,
and the theft of Nathavarr's ancient gold.

He was a weaver of stories such as I,
a finder of treasure from dungeons deep.
Digger found the drake's lair on mountain high,
and chanced upon the dread wyrm in its sleep.

Digger was a dwarf stealthy, swift and strong,
dreaming himself rich from robbing the drake,
quick he ran from where he did not belong,
he laughed under breath and caused it to wake.

No twinkle of eye where mirth once did live,
ashes now, what was bone and hair,
no greater admonition did he give,
the final lesson is: Dragons Don't Share!

LIMITED TO 2,500 UNITS

the noted dwarven thief
comes to life in this
